

Says
What have we heard them say?
What can we imagine them saying?

Thinks
What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

sufficient space for entering data

Dream to use best image and text editing easily and freely

I want to grow my level and earn respect.

I don't want someone else to empathy on myself

Things to risk creating beautiful design

Think that it will be free for individual

SASIKALA
Creating resume with different idea.

checking related information

I get ideas from profesional through text or viedo

keeping upon new type of stergies and maintaing active response with the professional.

Feel fear of saying wrong thing, not saying it in right way, not using the right format or look like an idiot.

Feel worried while making typos and grammatical errors which show lack of attention .

Not selecting the correct Resume type for the job. Wheather CHRONOLOGICAL RESUME or FUNCTIONAL RESUME.

feel happy to creat a correct resume or cv with templete

Does
What behavior have we observed?
What can we imagine them doing?

Feels
What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
